Matt,

We again are requesting for Progressive to provide the results for the search terms submitted by the FDIC as Receiver for Sun West. Our request dates back more than four weeks, and we are still waiting to hear back from Progressive. Please let us know when Progressive expects to provide the search results. Given the discovery deadlines in this case, we expect the results early next week.

Best regards,
Joe

Matt,

In your opposition to the FDIC as Receiver for Sun West Bank's motion to compel, Progressive now indicates it will be producing certain documents. As the document requests were served on June 14, 2013, please make the production by next week. As we will be filing our reply with respect to the motion to compel next week, please let us know by Monday that you will be producing these documents next week so we may include that information in our reply brief.

Additionally, following up on our previous requests, please let us know by Wednesday of next week the status of the search terms we submitted.

Best regards,
Joe
